

THE MAKER OF JUICE PLUS+™

February 25, 2010

To Whom It May Concern:

NSA, Inc. Statement on Gluten in Juice Plus+® Products

The Juice Plus+® products are manufactured for NSA by contract manufacturers. These products are regularly tested using Tepnel ELISA methodology (AOAC method 991.19) for the presence of gluten. The results show they contain less than 20 parts per million gluten, which is the proposed regulation for gluten-free food products in the United States.

Sincerely,

A handwritten signature in black ink that reads "C. Madero". The signature is written in a cursive style with a large, sweeping initial "C" and a long horizontal stroke at the end.

Carlos F. Madero, Ph.D.
